

TRAIL INFORMATION

Dercum Summit Hiking Trail is 2.3 miles long and ascends 180 ft. To reach the trail follow signs near the KeyTop Overlook Deck at the top of River Run Gondola and traverse above the Mozart Ski trail. The trail is recommended to be hiked clock-wise in order to maintain physical distancing with other guests. Please stay on designated trail and do not cut switchbacks.

EASIEST TRAILS

Beans for Breakfast: An introduction to freeride terrain including berm turns, rolls, and dips.
Bluegrass: A fun, short single-track through aspen groves and open ski runs.
Boy Scouts: Rolling single-track across ski trails and through lodgepole pines.
Celtic Way: Winding & twisting across open ski trails and lodgepole pine forests.
Easy Street: Easiest access to the River Run base area with access to the Skills Zone.

Girl Scouts: Winding single-track through lodgepole forest and across open ski trails. Great views of Lake Dillon.
Let it Ride: A fun "roller coaster ride" across ski trails and through the woods.
Ride On: A fun shortcut between Let it Ride and Boy Scouts.
Sleepy Hollow: Rolling single-track through aspens & pines.
Suz's Cruise: Rolling, twisting single-track—short, but sweet.

MORE DIFFICULT TRAILS

Eye of the Tiger: This rolling trail winds in and out of the forest and offers bridges, berms, and rocks.
Mosquito Coast: A fast and enjoyable ride with machine-built berms and some natural technical features with opportunities to try more difficult freeride features.
River Run Trail: Single-track trail that winds across ski runs and offers a bridge feature.

MOST DIFFICULT TRAILS

Cowboy Up: This short but sweet flow trail offers tight technical turns, log drops, and a huge rock garden.
Holy Diver: Machine-built trail with 5 huge berms, multiple jumps, and a massive wooden feature.
Holy Roller: Flow trail with machine-built jumps and wooden features.
Money: The name says it all—table tops and massive berm turns.
Motorhead: Flowing single-track with berms, jumps, table tops, bridges, and rocky descents.
Paid-In-Full: Machine-built, high-speed flow trail with big berms, table tops, and a wooden wall ride.
Punk Rock: Short, technical single-track with a boulder field.

Wild Thing: A technical, narrow single-track with tight twisting turns, steep, and rock drops through large aspen stands.

EXTREME TRAILS

Even Flow: A steep trail with switchbacks and one of our longest northshore bridges with many unique feature options.
Helter Skelter: This pair of trails utilize the steep terrain around an old power line including some rocky descents and jumps.
Milky Way: Flowing single-track with sweeping berm turns and multiple features.
Sanitarium: Rolling, fast, rocky downhill through the forest with a bridge leading to an exciting 14' tall corkscrew feature, leading to steep winding single-track.

rules of the trail

- Uphill Traffic shares the road with summer maintenance trucks; PLEASE BE CAREFUL
- Uphill access during operating hours is permitted only on Jackstraw Road.
- Uphill travel on single-track trails is NOT permitted during hours of bike park operations.
- Pedestrians should not use downhill bike trails during operating hours to travel UP or DOWN on the mountain.
- No dogs or foot traffic allowed on downhill bike trails.

FREERIDE BIKE TERRAIN

FREERIDE TERRAIN may contain jumps, drops, wooden berms and other constructed or natural obstacles.

YOU ARE RESPONSIBLE for familiarizing yourself with the terrain and obeying all instructions, warnings and signs **PRIOR** to using Freeride Terrain. Freeride Terrain skill requires maintaining control on the ground and in the air. Freeride Terrain has designations for size. Start small and work your way up. Designations are relative to the size of the feature.

MAKE A PLAN. Every time you use Freeride Terrain, make a plan for each feature you want to use. Your speed, approach and take off will directly affect your maneuver and landing.

LOOK BEFORE YOU LEAP. You are responsible for inspecting Freeride Terrain before initial use and throughout the day. The features vary in size and change constantly due to dirt condition, weather, usage and time of day. Do not use without inspecting. Use a spotter when necessary.

EASY STYLE IT. Always ride in control and within your ability level. Do not attempt Freeride Terrain unless you have the ability and experience to do so safely. You control the degree of difficulty you will encounter in using Freeride Terrain, both on the ground and in the air.

RESPECT GETS RESPECT. Respect Freeride Terrain and others. Wait your turn – only one person on a feature at a time. Always clear the landing area quickly. Respect all signs and do not enter Freeride Terrain or use when closed.
