"Incredible! I wouldn't have wanted to change anything about our wedding at Wildcat. From getting our 155 guests to the top of the mountain, cocktail hour with amazing food, and the ability to accommodate for a sit-down dinner they all were amazing and things went so smoothly! Iva is so responsive, helpful, and excited to help make the day perfect. All the staff were incredible and worked so hard. We are so grateful to them for helping to make such an important place to us possible for us to show all our family and friends."

"Our dream mountaintop wedding came true at Wildcat Mountain. Everyone there was so nice and went above and beyond to make the whole wedding-planning experience enjoyable and fun. Iva and Patrick were especially helpful for all of our requests. Everything from accommodating doing our engagement photos on site to zip lining into our reception. We highly recommend Wildcat!"

"Iva was always responsive, usually within the same day. The day of our wedding, I didn't have to think about anything — Iva and the DJ she recommended took care of everything. The food was delicious, the desserts superb! Everything flowed with ease. All my guests were impressed with everything!"
